(531) International Classification of the Figurative Elements of Marks (Vienna Classification) - **VCL(5)**  
26.01.18 ; 27.05.24

(511) International Classification of Goods and Services for the Purposes of the Registration of Marks (Nice Classification) - **NCL(8)**  
07

Apparatus and machines for waste collection and disposal; apparatus for use in the sorting of waste; apparatus and machines for lifting

containers for waste materials; compacting machines for waste; compressors (compactors) for waste collection containers; compressors (compactors) for waste collection vehicles; garbage disposal machines and waste disposal units; waste disposal machines for household use; waste handling apparatus incorporating a pump and a disintegrator, grinder or macerator; all included in this class.

09

Apparatus for collecting by radio frequency; apparatus for handling electrical signals in the radio frequency range; coaxial connectors for use in the transmission of radio frequency signals; apparatus for transmitting radio signals by cable; electronic radio apparatus; mobile radio broadcasting units; mobile radio transmitting apparatus; network connector for radio networks; point-to-point radio communications apparatus; radio broadcasting sets; radio receiving sets; radio signalling instruments for use in tracking; radio transmission apparatus; radio wave receiving antennae; radio wave transmitting aerials; radio-frequency antennas; radio-frequency components; radio-frequency filters; radio-frequency modulators; radio-frequency power meters; radio-frequency receivers; radio-frequency transmitter, radio-communications apparatus; radiocommunication apparatus; radiocommunication instruments; all included in this class.

35

Accounting; preparation of accounts; computerised preparation of invoices and accounts; cost accounting; cost price analysis; management accounting; auditing of accounts; book-keeping; business administration; business management services in the fields of finance, treasury, investment risk review, government rebates, business development, management information systems, human resource management and development and internal audit; business logistics including inventory control and management; preparation of inventories; computerised inventory control; computerised stock ordering; business planning, business development, business administration and business management of a supply chain for the receiving, collecting, transportation, distribution, delivery and storage of goods; computerised business information storage relating to freight tracking; compilation and provision of business information; computerised business information storage and retrieval; advice relating to business management and organization; business planning; writing or preparation of business reports; clerical services; company record-keeping (for others); computer-based data storage; computerised database management, data processing and data

verification; computerised file management; personnel management; personnel recruitment; employee relocation services; employment counseling; payroll preparation; market analysis; market research; market surveys; marketing; advertising; updating of advertising material; sales promotion (for others); procurement of goods on behalf of a business; the bringing together for the benefit of others, of a variety of goods, enabling customers to conveniently view and purchase those goods from a general global communications network; preparation of project studies relating to business matters; public relations services; publication of publicity texts; secretarial services; consultancy and advisory services for all the aforesaid; all included in this class.

36

Arranging the payment, collection and return of customs duties; customs brokerage; customs bonding; consultancy and advisory services for all the aforesaid; all included in this class.

37

Construction and repair of civil, mechanical and electrical engineering structures; supervision of construction projects; building and demolition of houses, bridges, factories, roads, motorways and subways, piers and chimneys, building construction services; building of structures for the production, storage and transportation of oil and gas; renovation of buildings; restoration of buildings; cable-laying; cleaning and maintenance of buildings and industrial premises; coating of pipes and tankage; dredging; drilling of wells; earthmoving; electrical installation and/or wiring services; engineering (civil); construction engineering; building project management; installation and construction of oil and gas structures and refineries and tankage facilities; installation of air-conditioning systems; installation of central heating and lifts; interior refurbishment of buildings; land drainage; land reclamation; maintenance and repair of alarms, boiler, freezers; maintenance of plants, refineries, offshore platforms; marine engineering; laying and construction of oil pipelines; pipe-fitting, pipeline laying; property development; quarrying services; real estate development; rental of building apparatus, earth-moving and excavating machines, lifting apparatus, construction machinery, cranes, drills, platforms and scaffolding, plumbing apparatus, road sweeping machines; road sweeping; scaffolding erection; ship and rig building; ship and rig conversion; ship and rig repair; supervision of construction; cleaning of streets; industrial cleaning; janitorial services; disinfecting and deodorising services; rental of cleaning apparatus; rental of road-sweeping

machines; installation, maintenance and repair of computer systems; installation of radio frequency communications systems; consultancy and advisory services for all the aforesaid; all included in this class.

38

Radio frequency communications services; operation of radio frequency communications systems; services for the electronic transmission of documents; rental of telecommunication equipment; consultancy and advisory services for all the aforesaid; all included in this class.

39

Transportation and delivery of goods, letters, messages and magazines by road, rail, air or sea; freight and transport brokerage; cargo handling; crating services; collection of goods for transportation; messages or merchandise courier services; delivery of goods by messenger and courier; forwarding agency services; freight forwarding; freight services; guarded transport; road haulage services; household removals; inspection of goods for transportation; materials handling services; weighbridge services; chartering of ships; filling of vessels, aircrafts and vehicles with freight or goods; air and sea freight services; fuel-filling services for aircraft; marine transport services; vessel towing services; air freight transportation; chartering of aircraft; parcel delivery; parcel distribution; transport of passengers by air; rental of mobile cranes; storage of bonded goods; packing of goods; packing articles for transportation; packing and unpacking services; container stuffing of cargo; re-filling of containers; warehouse storage services; storage of electronically-stored data, information or documents; hiring of storage sites; gas storage services; provision of refrigerated and frozen storage facilities; storage (including temperature-controlled storage) of fast moving consumer goods, electronics, parts and components, chemicals, pharmaceuticals, hazardous goods; warehousing; rental of warehouses; vehicle location services; transportation information; collection of domestic, commercial and industrial waste, refuse and garbage including liquid waste; collection of re-usable materials; removal of waste; transportation of waste; sewage disposal (transport); transport and disposal of hazardous products and waste; salvage services; waste collection centre services; storage of waste; collection of containers for waste materials; handling of waste products and materials; hire of waste handling and waste storage containers; gas distribution; transport of gas by pipelines; transportation of dry gas; electricity supply; water supply; supply of utilities to moored vessels; including the aforesaid services pro-

vided with the assistance of a global communications network; information services relating to the location of goods; tracking and tracing of letters and parcels; consultancy and advisory services for all the aforesaid; all included in this class.

40

Advisory services relating to the use of water treatment boilers; advisory services relating to the use of water treatment chemicals; advisory services relating to the use of water treatment cooling systems; chemical recycling of waste products; chemical treatment of waste products; demineralisation of water; desalination of water; destruction of waste and trash; destruction of confidential material; disposal of solid residues; disposal of waste from water treatment installations; disposal of waste water from industrial processes; incineration of waste and trash; industrial treatment of effluents; material treatment of waste; on-site water purification services; processing of waste and waste materials; purification of industrial waste water; reclamation of material from waste; recycling of paper, plastics, metals and materials; recycling of waste and trash, waste materials and waste products; regeneration of water; shredding of waste; sorting of waste and recyclable material (transformation); treatment (reclamation) of industrial waste; treatment [recycling] of radioactive waste; treatment [transformation] of waste; treatment of chemical waste; treatment of hazardous waste; treatment of hazardous waste by encapsulation; treatment (recycling) of hazardous liquids and products; treatment (recycling) of toxic liquids; treatment of industrial waste; treatment of toxic waste; treatment of toxic material; treatment of waste and waste materials; treatment of waste water from generating operations; treatment of waste water from industrial processes; treatment of water; waste management information; waste management services; waste treatment by electrolysis; wastewater treatment; water pollution control; water purification; consultancy and advisory services for all the aforesaid; all included in this class.

41

Training of personnel to ensure security protection; training; arranging and conducting training workshops; arranging of displays and exhibitions for training purposes; organization of competitions; consultancy and advisory services for all the aforesaid; all included in this class.

42

Civil engineering planning; computer programming; computer services, including for the application and configuration of com-

puter systems and computer networks; computer systems analysis; updating of computer software; construction design; custom design of radio frequency products; design of computer software; design services; design engineering; design of business management networks; design of facilities for the transportation of waste; design of industrial plant; design of storage systems; designing of data-processing systems; ship design; development and research of new products; development of industrial processes; development of programmes for data processing; development of systems for the transmission of data; construction draughting; engineering drawing; engineering project management services; engineering research; planning of building estates, environmental planning; environmental hazard assessment; environmental monitoring of waste storage areas; industrial development; industrial inspection; industrial process development and research; industrial property management; industrial research, development and testing; inspection of buildings, plant and machinery; interior design services; laboratory research; laboratory services; land (surveying of-); land development (architectural services relating to-); maintenance of computer software; preparation of engineering drawings and reports; preparation of project analysis studies; preparation of scientific reports, technical manuals and technical reports; process control; process engineering; quality control; scientific research; scientific testing services; surveying (quantity-); technical project studies, research, studies, survey services and testing services; testing of products; legal support services; arranging for the provision of legal services; legal research; legal information services; legal advice; legal services; consultancy and advisory services for all the aforesaid; all included in this class.

44

Healthcare; medical analysis services; medical health assessment services; medical screening; medical services for the diagnosis of medical conditions of the human body; consultancy and advisory services for all the aforesaid; all included in this class.
